

# Yak Attack

November 2006

Hey Y'all,  
Yak-ity. Yak. Yak. ☺ lol It's almost time for the Holidays!

I am having this fine young man who is about 6 years old, who can name almost every conceivable fish in the Divers Guide to Identifying Fish by sight, come up with a team fish that has our club initials' in its name. I do not know if it is possible but I will ask him to try. As soon as I know if he can be accomplished this will send out a special YAK ATTACK in his behalf.

I hope everyone read Wendy's email earlier this week. The other thing you need to know is that the next quarter is coming Dec 1<sup>st</sup> as well as your dues. Those of you who did not get to swim this fall but want to swim this winter please call me. We have limited space due to ASU failing to fix the pool lane line. This is forcing us to conduct the evening swim workouts differently than last year.

As you can see the email below John Scott (an Auburn swimmer & Montgomery YMCA Barracuda team member & fly expert) has offered a clinic on Saturday, Dec 23. I need a response from everyone by this Friday if you can attend. All I need is a "yes" or "no". If enough swimmers respond with a yes, then we will have it when John is available. I am asking you to commit early so I can accommodate Johns busy college schedule. There are other opportunities being worked on to have a clinic so this is not the only possibility.

We usually have a social after the clinic and since we normally would have had the clinic by this point. I think we need to have a social soon. Clinic or no clinic, I hope y'all agree. This all should be settled by the middle of next week. Sorry, but this has been a wild fall for me.

I am going to Marietta Georgia meet on Dec 9th. I will be leaving Thursday after work and staying with friends. Please let me know if you are going and I will co-ordinate rides. There may be some swimmers going from Auburn & Mobile who may wish to car pool as well.

**If you placed an order with me they suits & equipment are here and I will bring them tonight and in the morning.** You will not get your equipment unless you bring a check or cash in hand. If you need to know how much you owe please call me at 334-322-3454.

We will be working on the Christmas Season pool schedule soon. Those of you who help guard please put your information on the calendar on the back of workout board now!

Subject: RE: Master Swimmers in Montgomery

I will be home in Montgomery from the 20th to the 27th. So if the 23rd works for you then I would love to do it that day. Thank you so much.

War Eagle and God Bless!
